

Single-Panel Housing (SPH) Wall-mountable, holds one CCH connector panel, black

**Part Number:
SPH-01P**

Corning single-panel housing is a cost-effective option for storage, protection and termination of optical fiber cables in applications with minimal mounting space. The housing accepts standard LANscape® solution CCH connector panels and offers protection for the fiber cable and connectors for indoor wall-mount installations. This compact unit has a 1.5 inch frontal projection and is optimized for use in locations such as Box-in-a-Box applications, building entrances, terminals, wiring closets, open office and other areas where space is a premium. The SPH-01P housings have a stacking feature to allow up to three independent SPH-01P housings to be stacked and function as one wall-mount unit allowing capacity expansion without consuming additional wall space. The built-in splice tray with routing guides provide both protection and segregation of the cable and fiber during initial install and any future MAC work that is needed. The durable black metal housing can be used for splice management, cross-connect or both for up to 12 single fiber heat-shrink splices, and the improved splice organizer will also handle six ribbon heat-shrink splices if so desired. The single-panel housing can be mounted in multiple orientations including a DIN rail mounting option to allow fiber protection and connectivity in electronic and/or control cabinet applications as well as standard wall mounting.

Single-Panel Housing, wall-mountable, holds 1 CCH connector panel, black

Single-Panel Housing (SPH) Wall-mountable, holds one CCH connector panel, black

Specifications

General Specifications	
Product Type	Wall-Mountable Hardware
Mounting Type	Wall-Mountable

Standards	
RoHS	Free of hazardous substances according to RoHS 2011/65/EU

Design	
Housing Type	SPH
Number of Panels per Housing	1
Panel or Module Type	CCH
Splice Tray Options	Includes a 6 slot 0.4-in splice holder, up to 12 heat-shrink splices double stacked and/or 6 heat-shrink ribbon splices

Design - Adapter	
Housing Color	Black

Connector Specs	
Housing Color	Black

Dimensions	
Height	160 mm (6.3 in)
Depth	17145 mm (675 in)

Single-Panel Housing (SPH) Wall-mountable, holds one CCH connector panel, black

Shipping Dimensions

Height	19685 mm (775 in)
Width	171.45 mm (6.75 in)
Depth	541 mm (21.3 in)

Ordering Information

Product Number	SPH-01P
EAN Code	4056418142739
Package Contents	"Housing; installation guide; 6 tie wraps, 1/8 x 4, black; 4 screws, #6-32 x .25 inch; 4 screws, #8-18 x 0.625 inch; and 1 small alcohol wipe for label surface cleaning"
Shipping Weight	0.5 kg
Width	140 mm (5.51 in)
Units per Delivery	1/1
